Computer Literacy Drive

AZARA, August 28: Girijananda Chowdhury University (GCU) initiated a Computer Literacy Drive in nearby schools thereby facilitating the prospects of a more promising future. The first phase of the drive was effectively completed in two distinct educational institutions. The University generously contributed a combined total of four sets of desktop computers to both Jalukbari Higher Secondary School and Jalukbari Girls' High School. During the ceremony, Dr. Dipankar Saha, the Registrar of GCU, presented the computers to Mrs. Sarifa Ara Ahmed, Principal of Jalukbari, Higher Secondary School and Syed Mazid Ali, Head Master of Jalukbari Girls' High School. The event was undertaken by the faculty members and students of the department of ECE with the aim to promote digital empowerment and provide the younger generation with the necessary skills to succeed in contemporary society. Undoubtedly, this technological advancement will revolutionize the educational domain enabling pupils to attain unprecedented levels of knowledge and accomplishment.
