Lights, Camera, Knowledge: Workshop Unveiling the Basics of Filmmaking with Mirrorless Camera

AZARA, October 03: A workshop on “Basics of Film Making with Mirrorless Camera” was organized by photography club of GCU in association with Nikon School on 30.09.2023. The event was headed by Mrs. Kakoli Das, Nikon Creator, Kumar Kishore Kalita, Area Manager, Nikon, India and Mr. Dhanjit Das, Route Trainer, Nikon. They delivered a talk on basics of photography and film making and conducted a hands-on-training session for the students. They also gave valuable suggestions on how to take up photography as a career option for interested students. The workshop was successfully held with around 80 registered students.

Blood Donation Drive at GCU

AZARA, October 03: Girijananda Chowdhury University in collaboration with Swagat Superspeciality Hospitals Private Ltd (Swagat Blood Centre), Shantipur, Guwahati organized a blood donation campaign to observe the Ayushman Bhava Campaign. Social Welfare Club of GCU spearheaded this campaign that witnessed active participation from members. The campaign launched on Sep 13, 2023 is a nationwide initiative to provide full health coverage reaching every village and town in the country to promote blood donation amongst other activities. It embodies a "whole of nation and whole of society approach." A nine-member team of medical personnel from Swagat Hospitals led by the Medical Officer, Dr. Amrita Saha medically examined the donors and smoothly organized the drive. An overwhelming response was observed at GCU where 34 donors comprising of students, faculty and staff enthusiastically participated. It was encouraging to observe many first-time donors who took great pride and joy in their involvement. Donors were awarded certificates and gifts as a token of appreciation for participating in this campaign.
