## Bridging Borders: GCU Welcomes Bhutanese Delegation for an Educational Odyssey

AZARA, December 26: The delegates from Ministry of Education, Bhutan visited GCU acknowledging the invitation from Girijananda Chowdhury University to strengthen academic ties between India and Bhutan to create a cultural continuum with our neighbouring countries. The visit of Bhutanese delegates Mr. Rinchen Gyeltshen, Chief District Education Officer, Bhutan, Mr. Pema Tshering, the Education Officer and lead trainer at the Thromde Education Office, Bhutan and Ms. Tashi Yangzom, Edulink counsellor consultancy and placement firm, Bhutan reflects a commitment to expand educational avenues and dynamizing learning aspirations from global perspectives. The dignitaries explored the academic and research facilities at GCU such as the AICTE IDEA Lab, DST-FIST Laboratory, Sophisticated Analytical Instrumentation Facilitie Laboratory and other Pharmaceutical Lab, Computer Laboratory, Central Library and Central Workshop to understand the educational resources and potentials available at Girijananda Chowdhury University for further alliance. The two day trip allowed the Bhutanese delegates to assess the facilities, avenues for potential collaborations, interactions with the students and teachers, exchange programs and strengthen international bonding. The focus on dynamizing learning aspirations from global perspectives and reimagining employability expectations aligns with the evolving landscape of education and the need for cross-cultural understanding. The collaboration between GCU and Bhutan holds the promise of expanding educational opportunities for students from both countries. The Indo-Bhutan collaboration paves a way to create a positive impact on the academic and cultural landscape fostering mutual understanding and strengthening the bond between India and Bhutan.

## National Mathematics Day celebration at Girijananda Chowdhury University Assam

AZARA, December 26: The Department of Mathematics, Girijananda Chowdhury University (GCU), Assam celebrated National Mathematics Day, to commemorate the birth anniversary of the great Indian Mathematician Srinivasa Ramanujan on 22 December 2023 at the University premises. The event started with the welcome address by Mr. Jasodaranjan Das, President of Shrimanta Shankar Academy Society. The life and of Ramanujan and his contribution in the field of Mathematics were shared by Dr. Madhumita Mahanta, Head (i/c) of the Department of Mathematics. A popular and engaging talk with numbers (inspired by Ramanujan number) was presented by Smt. Ranu Borgohain, Retd. Teacher and a National Award Winner of T.C. Govt. Girl's H.S. & M.P. School. A state level prize-money quiz competition was organized among students from class IX to XII. Mr. Spandan Priyam of Jorhat Quiz Forum conducted the quiz. The first prize was won by Raichand Saharia and Mayukh Deb Roy of Army Public School, Narengi. Partha Pratim Roy of Maharshi Vidya Mandir and Bornil Bikash Bayan of South Point School, Guwahati won the second prize and the third prize was won by Nirangkush Kallol Parashar and Akshat Maurya of Sarala Birla Gyan Jyoti, Guwahati. The event was hosted by Dr. Moytri Sarmah, Assistant Professor of the Department of Mathematics and Ms. Monalisa Gautam, Assistant Professor of the Department of Civil Engineering. Almost 100 students and teachers coming from various schools across the state attended the ceremony. The students and teachers were given a tour to the university's AICTE Idea Lab in the campus.
