An Interactive Session With R&D Expert: Inspiring a New Wave of Innovation Among GCU Students and Faculties

AZARA, March 20: An Interactive Session with the R&D Expert, Mr. Sukhendu Bikash Ghose, was conducted by the School of Pharmaceutical Sciences, Girijananda Chowdhury University, Guwahati, Assam, on March 13, 2024, to provide students with insights into the world of research, innovation, and development. The session aimed to bridge the gap between theoretical knowledge and practical application, inspiring students to pursue research-oriented careers and fostering a culture of innovation within the university community. The session featured Mr. Sukhendu Bikash Ghose, an accomplished R & D scientist with over 15 years of experience. Mr Ghose has a wealth of knowledge specifically in the Topical, Transdermal & Ophthalmic department of the R&D sector. His insightful session and interactive engagement with the students significantly enriched the program, offering valuable insights into industry-academia collaboration. The event was also graced by the presence of esteemed personalities, including the Hon'ble Chancellor, Prof. Jayanta Deka, the Controller of Examinations, Mr. Kishor K. Choudhury, Respected Deans, HODs, and Faculty members from various departments of Girijananda Chowdhury University. Approximately 70 students participated in the event. During the Q&A session, students were actively engaged with the esteemed speaker, seeking advice on topics ranging from career paths in research to tips for overcoming research-related hurdles. Mr. Ghose provided valuable insights and practical guidance, inspiring students to embark on their own research journeys and pursue excellence in their chosen fields. The interactive session with the R&D expert proved to be an enriching experience for students and the faculty members. It not only deepened their understanding of research and development but also sparked their curiosity and passion for innovation.
