Pharma Anveshan 2024: Bridging the Gap Between Academia and Industry for a Brighter Pharmaceutical Future

AZARA, March 11: Pharma Anveshan 2024, a celebration commemorating National Pharmacy Education Day 2024, unfolded at Girijananda Chowdhury University, Guwahati on March 6, 2024. The event centred around the theme "Leveraging synergism: Industry-Academia Partnership for implementation of National Education Policy 2020." Mr. Tanveer Shah, Plant Head In-charge at Eris Lifesciences Ltd, Amingaon Guwahati, honoured the occasion as the guest speaker. His insightful session and interactive engagement with the students significantly enriched the program, offering valuable insights into industry-academia collaboration. The event was also graced by esteemed personalities, including Mr. Jashodaranjan Das, President of the SSA society, Hon'ble Chancellor of GCU, Prof. Jayanta Deka, Respected Registrar Prof. Dipankar Saha, Deans, HODs, and Faculty members from various departments of Girijananda Chowdhury University. Approximately 200 students participated in the event. In addition to engaging discussions, an essay writing competition under the theme "pharmacist strengthening the healthcare system" and a drawing competition under the theme "Role of pharmacist in different healthcare system" was also organised among the students where around 60 students participated. The success of the event can be attributed to the active participation of distinguished guests, students, and organizers, reaffirming the commitment towards advancing pharmaceutical education and practice.
