## GREEN ACTIONS AND ARTISTIC FLAIR: GCU CELEBRATES WORLD ENVIRONMENT DAY, 2024

AZARA, June 08 : Girijananda Chowdhury University (GCU), Guwahati, celebrated World Environment Day on June 5, 2024, with a tree plantation drive and a school-level art competition. The event aimed to promote environmental awareness and encourage active participation in preserving nature.

The tree plantation program was inaugurated by Mr. Jasoda Ranjan Das, President, SSA, Prof. Jayanta Deka, Hon'ble Chancellor, GCU and Prof. Kandarpa Das, Hon'ble Vice Chancellor, GCU. The dignitaries marked the occasion by planting tree saplings at the university campus. Faculty members and non-teaching staff also participated enthusiastically in the plantation drive, contributing to the greenery and sustainability of the environment. In addition, an art competition was organized for school students from classes 1 to 12. The competition was divided into three categories: Group A (classes 1-4), Group B (classes 5-8), and Group C (classes 9-12). The event witnessed active participation from various schools across Guwahati. The young artists showcased their creativity and concern for the environment through their art pieces. Mr. Jintu Sharma and Mr. Prasanta Das graced the event as esteemed judges. They evaluated the entries and selected the best artworks from each category. Prizes were distributed to the winners, and participation certificates were awarded to all participants, encouraging their efforts and enthusiasm. The event was coordinated by Mr. Faruk Ahmed from the Department of Business Administration, along with team members Mr. Abhinandan Kalita from the Department of Electronics and Communication, and Ms. Zartaj Washmin from the School of Pharmaceutical Sciences, GCU. Their collaborative efforts ensured the smooth execution of the program and its success. The celebration of World Environment Day at GCU emphasized the university's commitment to environmental sustainability and the importance of nurturing a green and healthy planet for future generations.
