SCHOOL OF PHARMACEUTICAL SCIENCES, GCU HOSTS EXPERT TALK ON METABOLIC AND LIFESTYLE DISEASES: INSIGHTS BY PROF. VETRISELVAN SUBRAMANYIAN

AZARA, July 25: The School of Pharmaceutical Sciences, Guwahati, Girijananda Chowdhury University organized a scientific talk on “Metabolic and Lifestyle Diseases” on 19th July 2024. Prof. Vetriselvan Subramanyian from Sunway University, Malaysia, graced the program as the distinguished resource person.

Prof. Vetriselvan Subramanyian delivered an insightful presentation on the various metabolic and lifestyle diseases prevailing in today's time. He covered a range of topics, including the underlying causes, risk factors, and the impact of these diseases. Following the presentation, an interactive session was held where participants had the opportunity to ask questions and discuss their concerns with Prof. Subramanyian. This session proved to be highly beneficial, providing deeper insights and clarifications on the subject matter. The event was co-ordinated by Mrs. Asha Das under the supervision of Prof. Bhanu Pratap Sahu.
