About GCU, Assam

Girijananda Chowdhury University is on a sprawling 20-acre campus in the outskirts of Guwahati, Assam. Girijananda Chowdhury University was established by the Act No. XLVII of 2022 of the Assam Government as a State Private University under the aegis of Shrimanta Shankar Academy Society registered under the Societies Registration Act 1860. The establishment of Girijananda Chowdhury University has evolved out of the initiative of the Girijananda Institute of Management and Technology (GIMT) and the Girijananda Institute of Pharmaceutical Sciences (GIPS) to impart professional higher education in a spirit of philanthropy and social commitment. During the last 18 years of their existence, these institutes earned the reputation of quality professional education as evident in the accreditation of the various programmes by the National Board of Accreditation (NBA) and the award of extramural grants from the AICTE, DST etc.

About ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional nonprofit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The strength of ISTE is the strong base it has in technical education institutions in the country.

About ISTE Students Chapter, GCU

Girijananda Chowdhury University, Assam (previously Girijananda Chowdhury Institute of Management and Technology, Guwahati) have become the member of ISTE by registering in the year 2013 vide certificate number IM2284. Since inception, all Engineering students have registered from the institute. Since then, the Institute ISTE student chapter had also successfully conducted many events: the Regional Annual Students' Convention 2014 and 2017 at this Institute. The students and the faculties have also participated in the ISTE – Srinivasa Ramanujan Mathematical Competitions 2015 and 2016. It has also organized Seminar on 'CLOUD COMPUTING' on 2015, a National Symposium on 'Recent threats and opportunities in the field of engineering' on 2016. The Institute ISTE student chapter received the "Best Student Chapter of ISTE Assam & Eastern Section" award during the year 2015. The chapter organized its first event under the University: a talk and Poster presentation competition on the topic "The role of Engineers in solving real world problems" on 3rd April 2024.
